

I'm Gonna Shine

Words and music by Ula Weber

Side by side, together we'll stand with pride

Dreaming of all that we can be.

Side by side, together we'll stand with pride

Shining a light for all to see.

I'm gonna shine

I'm gonna shine

I'm gonna shine my light

I'm gonna shine

Side by side, together we'll stand with pride

Dreaming of all that we can be.

Side by side, together we'll stand with pride

Shining a light for all to see.

I'm gonna shine

I'm gonna shine

I'm gonna shine my light

I'm gonna shine

I'm gonna shine x 6

I'm gonna shine my light

I'm gonna shine
